Paper format clarifications if you missed them after reading
https://pahce.org/P7FormatEN.htm (English) /or
https://www.pahce.org/PAHCESP/P7FormatEN.htm (Español)

 - Your format **A paper should be no longer than one page**. Your **format B paper should be between 2 and 4 pages although occasionally papers up top 6 pages can be accepted**. Two complete pages represent a minimum length for the format B papers.

 - Correct the format of authors' listing.

Your paper needs to be revised to meet GMEPE/PAHCE format requirements expected from us. Please,   see format templates and samples.

 - **Do not include the conference headers and page numbers: conference headers and page numbers will be included by** GMEPE/PAHCE Team during the proceedings preparation.

 - Correct the title format: **do not use only capital letters, neither only lowercase letters; title should combine both, according to the templates**.

 - **Do not use italic in title, authors list, institutions' name, or abstract.**

 - **Pay attention to the upper, lower, and side margins, indenting settings and setbacks; see templates**.

-Your paper was not uploaded. Please, upload it in
http://papersub.pahce.org/author/upload.php

- Papers should be loaded in a standard PDF format not as a scanned PDF image or other nonstandard
 PDF format as it is not editable and the conference headings/footings cannot be incorporated

- Subtitles do not meet GMEPE/PAHCE format requirements expected from us. Please, see format templates and samples.

 - Insert contact (email and phone) after the institutions' name.

 - Do not use paragraphs in the Abstract

   - Adjust the format of subsections: **centralize the titles of the sections I, II, III   , and References and use Roman numbers in titles; attention to the tabulation and setbacks; see templates for Format B papers.**

 - Papers written in Portuguese or Spanish must include English title before the Portuguese/Spanish title.

 - Papers written in Portuguese or Spanish must include English Abstract/Keywords before their equivalent in Portuguese (Resumo/Palavras-chave) or Spanish (Resumen/Palabras claves).

- Correct the institutions' list and contact info.

- Your paper was not uploaded. Please, upload it in
http://papersub.pahce.org/author/upload.php

- Insert contact (email and phone) after the institutions' name.

- Do not use paragraphs in the Abstract.
